

LION Sunday Evening Post

January 28, 2024

Good evening RBMS Families,

Have you heard the exciting news? Our Red Bank Lady LION Basketball Team took First Place in our division for Hamilton County Schools! The Lady LIONS will play their first game at Regionals this Monday afternoon. Our cheerleaders and our Boys Basketball team will be traveling with them to support our girls!

Thank you to the parents and students who were able to attend our Second Semester Conferences on Thursday evening. We appreciate and value the partnership between our families and our teachers.

Save the Date! Our next Homework Diner for students and parents is Tuesday, February 13th. We will provide dinner for families in attendance, tutoring support from teachers for students as they work on assignments, and a parent information session on the Middle School Adolescent Brain. Please plan to join us.

Wishing our Lady LIONS the very best of luck tomorrow,
Dr. Frady :)
